PRODUCT DESCRIPTION

Our new teardrop flags feature an upgraded, durable, composite pole and a great price point that's perfect for quantity orders. The Single-Sided Teardrop Flag is made from a single piece of premium flag material. There is a slight "bleed-through" effect in which the back of the flag is mirrored/reversed from the front. The flag is finished with premium binding and double-stitched, hemmed edges. The graphic package comes standard with a single-sided custom print, pole, spike base and carry bag.

SET UP INSTRUCTIONS

- Flag poles are numbered for easy assembly. Follow guide above for assembly order
(Note: Medium flagpole can convert to Large and X-Large size by adding additional pole #3's)
- Insert tip of flagpole into the black pocket trim on the flag and push it all the way to the end of the pocket.
- Secure flag by lacing the bungee through the grommets on the pocket trim and tethering it to the hook at the base of the pole.
- Insert pole into desired base to display flag.

Spike Base

Insert the pointed end of the spike base into the ground. Insert the post with rubber grommets into the opening on bottom of the flagpole to display flag.

X-Base

Unfold legs and insert the post with rubber grommets into the opening on bottom of the flagpole to display flag. A water bag can be added for added stability.
