## PRODUCT DESCRIPTION

Our new teardrop flags feature an upgraded, durable, composite pole and a great price point that's perfect for quantity orders.

The Single-Sided Teardrop Flag is made from a single piece of premium flag material. There is a slight "bleed-through" effect in which the back of the flag is mirrored/reversed from the front. The flag is finished with premium binding and double-stitched, hemmed edges. The graphic package comes standard with a single-sided custom print, pole, spike base and carry bag.
